The South African Pony Club

WORKING DOGS ACHIEVEMENT BADGE

GUIDELINES:

To be able to identity any twelve (12) breeds of working dogs and to know in which field/sphere they are traditionally used, i.e. huskies are used to pull sledges and St Bernards are used by mountain rescue teams.

KEYPOINTS:

Identification by shape, colour, size and category of work for which they are used.

Recommended Reading:

Observers Book of Dogs
Kennel Club Books (www.kennelclubbooks.com)
