

HIGHVELD PONY CLUB NEWS LETTER

Congratulations on having a very successful opening event on 2013-01-26 at Sudrah Riding School!

Many thanks to all the organisers and everybody involved with the planning of this successful event. Thank you to Roelf and Nellie van Wyk for sponsoring the Rosettes.

But what is the Pony Club?

It is an International organisation which encourages participation in equestrian sports while learning basic riding skills and also to take care of horses, whilst having fun. Exposure to horses does not only develop respect and understanding for these lovely animals, but also builds confidence and character.

Seventeen riders have been registered on the very first day of the opening. The riders were judged by Me. Patsy Fulton for "Tack and Turnout" The riders then participated in the following games; Pony express, Bottle race as well as Mug shuffle.

The event came to a close at 14:00 with a smile on every rider's face!
